- 2 \* Composite
- 2 \* Audio Output

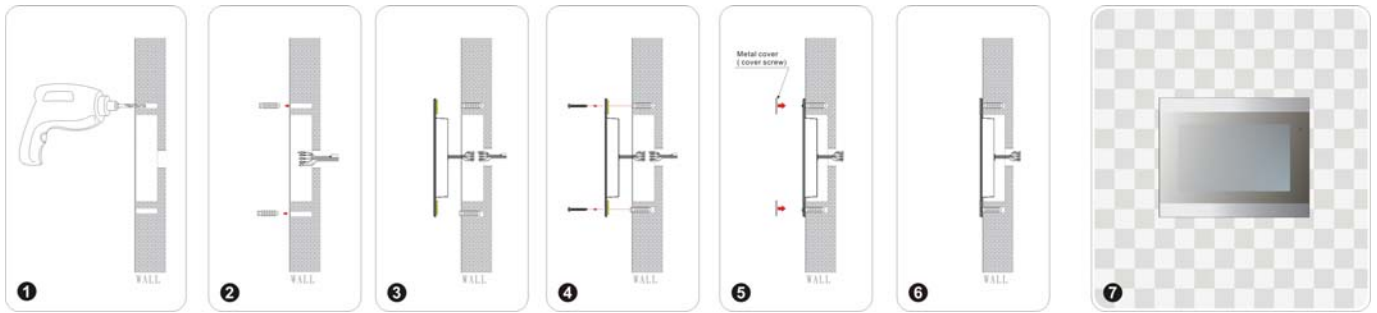

### Box Contents:

First Fix Back Box (if to be recessed), Fully waterproof Unit, Waterproof Remote, Manual.

Please note speakers are included in the packaging.

## Quick Installation Guide:

### Step 1:

Cut out space for the back box (supplied) and drill pilot holes for fixing screws.

### Step 2:

Plug the screw holes and feed the required leads to the back box.

### Step 3:

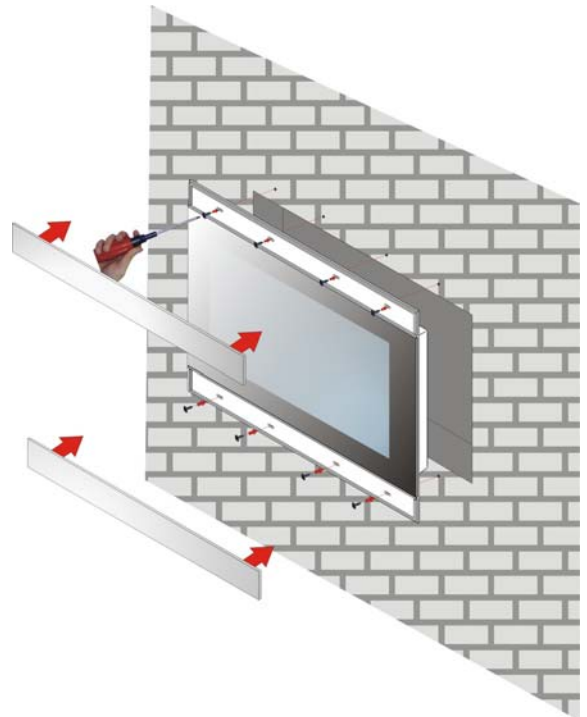

Connect up the leads from the back of the unit.

### Step 4:

Apply a thin bead of sealant to the back of the unit (to prevent condensation getting into the wall tie) and screw the unit into place.

### Step 5:

Fix the decorative screw hole covers (opposite)

**As this unit is completely waterproof it does not have to be recessed. The unit has VESA fixing holes on the back so that it can be mounted on a bracket giving flexibility of installation.**

- ✓ Glass Panel background comes in Black or Mirror finish.
- ✓ Trim panels are available in black or satin aluminium finish
- ✓ The decorative screw hole covers can be a bespoke solution for a minimum order. (ie wood or chrome)
